We propose to furnish the following described materials subject to the terms and conditions stated below and on the reverse side.

Structural Glued Laminated Southern Pine, architectural appearance grade, one coat factory applied oil-based stain of our proprietary formula (not Penofin), individually wrapped. Manufactured per ANSI A190.1-2017. AITC stamps and certification provided.

Preservative treatment where indicated is waterborne CCA, prior to laminating 0.40 pcf retention.

Includes wood to wood and wood to masonry connection steel and hardware. Steel is A6 with one coat black primer, hardware is A307, zinc finish. Exception: Where exposed directly to the elements, steel and hardware are hot-dipped galvanized.

We provide engineered shop drawing for approval prior to fabrication. Final submittal includes Wisconsin P.E. Seal.

ABOVE MATERIALS, FOB LAKE GENEVA, WISCONSIN.....\$62,000.00
(Includes 5.5% WI Sales Tax)

EXCLUDES: Items embedded in masonry such as anchor bolts.

EXCLUDES: LVL's, Steel Ledger Angles and Steel Channels.

EXCLUDES: Penta in Light Oil Treatment.

Proudly Made In Wisconsin Since 1934
