part is needed or expected.*

REVIEW APPOINTMENT CONFIRMATION

This letter serves as a confirmation of your review appointment. You may use it in lieu of the traditional plan review application form when submitting your plans. To do so, complete all missing information, correct any inaccurate pre-printed information with red ink, and submit with your plans and appropriate fees.

Plan reviews may only be invoiced to the designer as an individual. Designer shall sign the block on the first page to authorize invoicing. If you are paying by check for a paper submittal, please send your check along with this confirmation letter directly to the assigned office of the review.

If the plan you submit is not the same as indicated on the following pages, you will be at risk of having your plan appointment rejected and will have to reschedule using the correct information. Plans must be in our office two days prior to your review appointment. If you cancel at least two days prior to your appointment, that time can be utilized by another customer. A \$60 Missed Appointment fee may be charged for plans received late without proper cancelation notice.

IF YOU NEED TO CONTACT US TO CANCEL, RESCHEDULE, OR CORRECT INFORMATION

Please let us know via email to DspsSbPlanSchedule@wi.gov as soon as possible. If you cancel your reserved time can be utilized by another customer.

TO MONITOR THE CONTINUED STATUS OF YOUR PLAN

Plans status can be readily checked on our Internet site at <http://www.dsps.wi.gov/Plan-Review/Plan-Status>. You will need your designer Safety & Professional Services customer ID # to retrieve the plan information.

APPLICATION FOR REVIEW**GENERAL PLUMBING****- Complete all pages –****NOTE: Personal information you provide may be used for secondary purposes [Privacy Law s. 15.04(1)(m), Stats.]**
